Your Divine Journey. Our Responsibility.

ABOUT THIS PACKAGE

The Char Dham Yatra is the most revered pilgrimage in Uttarakhand - four abodes of the divine set deep in the Himalayas. For pilgrims who cannot manage long road journeys or steep treks, helicopter yatra is the safest and most time-efficient way to complete the circuit.

Badrinath Air Support operates directly from Badrinath with deep local knowledge of helipad schedules, shrine timings, and Himalayan weather. Our coordinators live in this region year-round not a distant call centre so you get real-time guidance when conditions change.

WHY PILGRIMS CHOOSE US
