YOUR JOURNEY TO BADRIVISHAL

Same Day Badrinath by helicopter is the quickest way to seek darshan at Shri Badrinath Ji, the sacred abode of Lord Vishnu among the Char Dham.

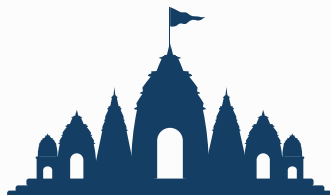

You fly from Sahastradhara Helipad, Dehradun, directly to Badrinath Helipad (about 50-60 minutes each way). The temple is only a short vehicle ride from the helipad.

After VIP darshan (typically 1-1.5 hours), you return to Dehradun the same day.

As a Badrinath-based operator, our local team welcomes you at the helipad and escorts you for smooth darshan at Badrivishal.
